

# Where Can I Run But To Your Door

© Caroline Bonnett

*Intro:* **A x4 bars**

*Verse 1:*

**A**  
Where can I run but to your door  
**F#m**  
When the howling wind and the beating rain  
**E D**  
Batters me 'til I can take no more  
**A**  
Where can I run but to your arms  
**F#m**  
For you hold me close in the lonely hours  
**E D (run: D, D/C#)**  
Only you can keep me safe and warm

*PreCh:*

**Bm A/C# D E**  
You've got the power to set me free  
**Bm A/C# D D - E**  
To face the world when she beckons and entices me

*Chorus:*

**A Bm C#m F#m E A**  
(Oh), I - need you more tomorrow than to-day  
**A Bm C#m F#m E D**  
I, need you more today than yes-ter-day  
**A/C# D E D/F#**  
I will listen to, a new surrender  
**A/E A4/E A**  
I will learn to love and live your holy way

*Verse 2:*

**A**  
Who on earth could match the price paid  
**F#m E**  
For (all) the hurt and sorrow of this labouring heart  
**D**  
Such a sacrifice (made)  
**A**  
The sweetest mystery of all  
**F#m**  
That you choose my love like a fragrance  
**E D (Run: D, D/C#)**  
Even though you know I'll quickly fall.

*PreCh:*

*Chorus:*
